NOTICE OF MODIFICATION OF THE HAZARDOUS WASTE PERMIT AND PUBLIC MEETING

Rhodia, Inc.
2151 King Street Extension
Charleston, Charleston County, South Carolina
FACILITY ID# SCD 003 358 389

DHEC has received a Statement of Basis for selection of remediation activities at the Rhodia, Inc. facility. The Statement of Basis is an explanation of clean-up activities and protective measures. A draft modified hazardous waste permit has been written by DHEC to incorporate these remedies. The draft permit has been written to comply with the South Carolina Hazardous Waste Management Regulations and the Resource Conservation and Recovery Act, as amended by the Hazardous and Solid Waste Amendments.

The draft permit contains conditions for the following:

- Expansion of groundwater extraction and treatment systems;
- Installation of two groundwater reactive barriers;
- Isolation and capping of soils and sediments;
- Land-use management controls and deed restrictions.

The Statement of Basis and draft permit are open for public comment from May 9, 2011 to June 22, 2011. DHEC encourages all interested persons to participate in this permitting process.

DHEC is holding an **informal public meeting** to discuss the selection of clean-up activities, protective measures and the draft permit with interested citizens. **The public meeting will begin at 6:30 p.m. on May 25, 2011, at the local DHEC environmental office located at 1362 McMillan Avenue, Suite 300, Charleston, SC.** Directions may be obtained by calling Mark Hiott at (843) 953-0150. At this meeting, DHEC staff will:

- Discuss the selection of remedies for Solid Waste Management Units (SWMUs) and Areas of Concern (AOCs) at the facility;
- Give an overview of the draft permit; and
- Hear concerns and answer questions from all interested persons.

Individuals with disabilities who wish to participate in the meeting should contact Norma West at (803) 896-4056 at least one week in advance to discuss any special aids or services needed.

Written comments must be submitted no later than June 22, 2011 and will be accepted at the public meeting. Comments may also be submitted to the attention of Richard Haynes at the DHEC Columbia address above or by e-mail at: haynesra@dhec.sc.gov. All written comments received by June 22, 2011 will be considered before a final permit decision is made.

Requests to be placed on a facility mailing list for notification of future public notices by DHEC's Division of Waste Management should be made in writing to the attention of Norma West at the DHEC Columbia address above or by e-mail at: westnj@dhec.sc.gov.

The draft permit, Statement of Basis and other related information are available for review through June 22, 2011, at the DHEC Columbia Office listed above and at the following locations:
